DETAILED ACTION

Allowable Subject Matter

Claims 1-20,22-32 are allowed. The following is an examiner's statement of reasons for allowance: the prior art does not teach a controller operative to maintain a single signal quality (SIR) target for the plurality of transport channels, without maintaining an individual SIR target for each transport channel, to adjust the single SIR target based on the status of the at least one data block received in the current update interval, and to use the single SIR target for power control of data transmission on the plurality of transport channels. These limitation, in conjunction with all other limitations, has not been disclosed , suggested or made obvious over the prior art of record.

Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
